

HOLIDAY WORLD AND SPLASHING SAFARI

Participant Expectations

I am excited that you will be joining us for the Holiday World Trip!

I would like you and your parent(s) or legal guardian(s) to look over these participant expectations and discuss them. Once you and your parent(s) or legal guardian(s) have discussed them, understand them, and agree to them, please sign below.

Never be afraid because the community teems with excitement. (H.W. Beecher 1813-1887)

1. I understand that there will be “check-in” times and I am not to be late for them. During these times the group will gather as a team. Until all teammates are accounted for, no one will be able to go back into the park.
2. I will not leave the park or enter the parking lot unless with a chaperone.
3. I will not bring or use alcohol or illegal drugs.
4. I will listen and obey instructions from the adult chaperones and Holiday World Park Staff and will not have to be told twice to do something.
5. I agree that my Public Displays of Affection will demonstrate modesty and respect for others. I will adopt the motto that every interaction with someone else should be “observable and interruptible”, including my interactions with adults.
6. I will try and see God in at least one thing.
7. I will behave like a lady or a gentleman.
8. I will pick one person that I am not close to or currently have difficulty with and try to develop a more positive relationship with that person, no matter how hard they resist. I will actively work toward seeing this person’s gifts and talents.
9. I will try my best to make this experience better for the other people I am with. My interactions will not be mean-spirited, or hateful but Christ like. I will use my gifts to make someone else feel better.
10. I understand that if my behavior is inappropriate, a chaperone will contact my parents to come get me.
11. As the parent/guardian signing this form, I understand that if contacted to pick up my child from Holiday World Amusement Park I will do so immediately.

My parent(s) or legal guardian(s) and I have discussed the above.

(Before you sign did you really DISCUSS these with each other?)
